WHAT WE DO

Garden services & grounds maintenance

Regular, scheduled care that keeps your gardens and grounds neat and healthy all year round, so residents, tenants and visitors enjoy the space.

Beds weeded and mulched

Our mowers on a complex lawn

1 Gardening & grounds maintenance

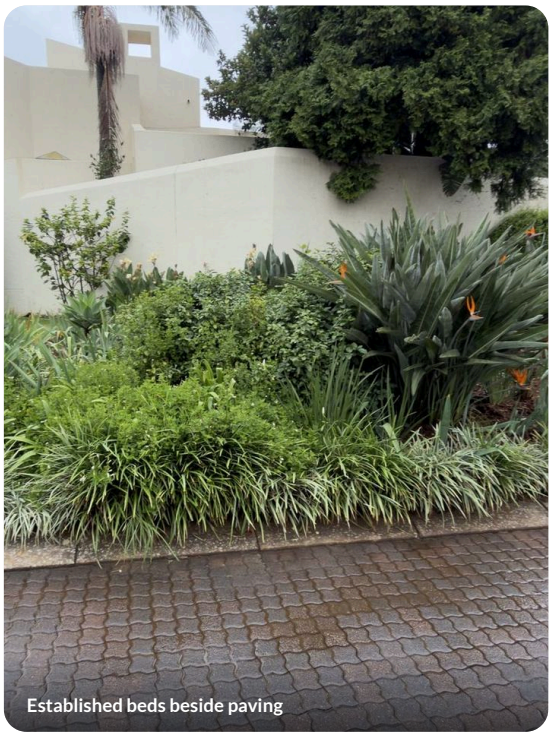

Our garden teams take care of lawns, flowerbeds, shrubs and trees across complexes, estates, office parks and homes.

- **Lawn care & turf maintenance:** regular mowing of lawns and sports fields so they stay lush and green.
- **Garden bed maintenance:** careful weeding and mulching of flowerbeds.
- **Seasonal planting, composting & fertilising** to improve plant health and appearance.
- **Tree & hedge maintenance:** routine pruning and trimming to keep shape and health.
- **Weed & pest control** for invasive weeds and garden pests.
- **Weekly garden refuse removal.**
- **Rodent control** around the property.

2 Landscaping & irrigation solutions

We choose plants to suit your taste and your water needs, and keep water where your garden needs it.

- **Basic landscape design** and new landscaping installations.
- **Garden revamps & upgrades** to existing flowerbeds and gardens.
- **Hardscaping:** stepping stones, cobblestone edging, retaining walls and wall cladding.
- **Supply of plants, pots, trellises** and other landscaping materials.
- **Irrigation solutions** for complexes, estates, offices, malls and shopping centres.
- **Irrigation system maintenance:** regular checks and repairs so the system waters evenly.
- **Rain & grey water harvesting**, back-up systems, water storage tanks and pressure pumps.
